REMARKS

By way of the foregoing amendments, the specification has been amended to

incorporate the priority information and the title headings. The title has been amended to

conform to the English language translation. The Abstract has been added to conform the

application to the corresponding PCT Application No. PCT/EP2004/051411. Claims 1-26

have been amended to delete multiple dependencies, and to otherwise conform with

conventional U.S. format. New claims 27-29 have been added. No new matter has been

introduced by these changes.

It is requested that the application be examined on the basis of the specification, the

title, the abstract, and the claims as amended.

Early and favorable consideration with respect to this application is respectfully

requested.

Should any questions arise in connection with this application, the undersigned

respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,
